ABOUT HELPING HANDS

Freytag's Florist Helping Hands Program is designed to help non-profit organizations. Freytag's Florist will donate 5% of the total transaction each time an order is placed and the organization and program are mentioned. In return, the organization listed above agrees to promote and help market the Helping Hands program as often as possible by notifying its members on a regular basis about the programs and the benefits received.

Freytag's Florist reserves the right to change or terminate this program at any time without notice.

This program is only valid for tax exempt, non-profit organizations, schools and churches.

Absolutely no commitment or obligation is required of the organization receiving the donated proceeds, however, if the organization ceases operations or changes non-profit status, it must notify Freytag's Florist immediately and the program eligibility will be terminated.
